## Toward sustainable IT products

TCO Certified is the world-leading sustainability certification for IT products. It is an easy-to-use tool that helps you get environmental and social sustainability right. Criteria are mandatory, tough, and apply globally. Compliance is always independently verified.

To verify authenticity, extension of certificate validity and see product information visit [tcocertified.com/product-finder/](https://tcocertified.com/product-finder/) and enter the certificate number or scan the QR code

**Certificate number: D1025100225**

This certificate confirms that a sample of the certified product, as stated herein, has been tested and approved as to its compliance with the criteria document TCO Certified, generation 10, for displays. The certified product may, subject to the use of the unique combination of brand name, type/model name and sales name as stated in this certificate, be marked and sold with the TCO Certified label in accordance with the agreement.

A handwritten signature in black ink.
